

INDEX

S/N	Experiment Name
01	Theoretical and Experimental Investigation on Amplitude Shift Keying (ASK) and On-Off Keying (OOK).
02	Theoretical and Experimental Investigation on Frequency Shift Keying (FSK).
03	Theoretical and Experimental Investigation on Phase Shift Keying (PSK).
04	Theoretical and Experimental Investigation on Pulse Width Modulation (PWM).
05	Theoretical and Experimental Investigation on Natural Sampling of a Sinusoidal Signal.
06	Theoretical and Experimental Investigation on Pulse Code Modulation (PCM).
07	Analog to Digital Conversion (ADC).
